Co.As.It. Italian Heritage
Invites you to celebrate our 100th IFHG Meeting

Italian Family History Group
With Special Guest

Andrea Comastri
CEO of Co.As.It.

Andrea Comastri was born in the Umbrian town of Spoleto in 1970. In 1995, after graduating from the University of Perugia, he married the daughter of an Italian family who had migrated to Australia in the 1950s, and moved to Sydney. Almost immediately he joined Co.As.It. as an Administration Assistant. In 2006 he became the CEO of Co.As.It.

Andrea’s talk will start from his youth in Italy and his decision to become a “new” migrant. Andrea will then talk about his family, his experience in Australia and how his 15 years in his new country are totally intertwined with Co.As.It.’s recent history and developments.

Please join us to meet Andrea Comastri and celebrate our 100th Italian Family History Group Meeting.
