#### What is the Italian Club?

Is your child already a fluent Italian speaker?

The Italian Club will provide your children with the opportunity to attend lessons conducted solely in Italian by fully qualified teachers who are native Italian speakers. The aim of the course is to not only maintain a high level of Italian but also to encourage students to develop their language skills further.

The Italian Club is open to children from Kindergarten to Year 6 and held at Kegworth Public School on Wednesdays from 3.40pm-5.40pm.

#### Fees and conditions of enrolment:

### Sibling discount

For families, each subsequent child enrolled will receive a discount of \$10 off the annual fee.

# Out of School Hours (OSH) Parent Manual

Enrolment in the Out of School Hour (OSH) Program is subject to the acceptance of the following OSH regulations and policies. Parents/Caregivers are asked to read the document and sign the enrolment form accordingly.

#### 1. Enrolments and fees

We encourage parents to enrol and pay before 31 December 2020 to take advantage of the early bird discount.

Once you have enrolled, you will receive an electronic confirmation as a receipt from Co.As.It. This will confirm the details of the Centre and the time of the class you have enrolled your children in.

Enrolments can be made online via our website or on paper. Paper enrolment should be submitted to our office by email, fax or post.

Email: learning@coasit.org.au

Fax: 02 9569 6648

Post to: Po Box 342, Leichhardt NSW 2040

Once we have received full payment, a confirmation will be sent to the parent/guardian as a receipt from Co.As.It.

# Please note that due to Department regulations, we are unable to allow children in the classroom unless they are enrolled and in receipt of a confirmation letter.

Fees are not refundable or transferable as Co.As.It. cannot accept responsibility for changes to students' personal circumstances that prevent attendance.

Existing students are required to re-enrol. Places are not kept from year to year without receipt of enrolment and payment.

If you would like your child to be transferred to another Centre please contact the office. Co.As.It. will endeavor to accommodate all requests, provided that places are available.

Classes may be cancelled due to insufficient numbers or circumstances beyond the control of Co.As.It. If a class does not commence, payment will be refunded in full. (Parents will be notified by Co.As.It staff).

The enrolment fee includes a textbook per child **for the duration of two years** in our OSH program which will be issued in Term 2. Students will also be able to access Co.As.lt.'s Online Learning Platform.

Parents will be issued with a password to access the platform during Term 2.

#### 2. Class organisation

The number of classes in each centre is dependent on the number of enrolments received. Children are divided according to their age and level of Italian. In some centres there may be classes composed of mixed levels and abilities and from time to time classes may be combined.

### 3. Classroom safety

Teachers are responsible for ensuring the surroundings and environment are safe and secure for both students and staff, therefore no visitors, including parents, are allowed to enter the classroom at any time during lessons.

### 4. Students and parent / caregiver responsibilities

Co.As.It. is a visitor in the schools where the program operates; therefore it is important that care be taken inside classrooms and elsewhere on school grounds, including the school car park area. OSH students, parents/caregivers and teachers are bound by the school rules.

OSH students are requested to take special care during lessons and during morning or afternoon breaks. It is important that they do not touch school objects in the classroom without their teacher's permission. Desks and the surrounding areas are to be left clean and tidy.

Please note that parents are liable for the cost of any damage to property caused by their children.

#### 5. Punctuality

Teachers and students are expected to be punctual to class and to be prepared to commence lessons promptly.

Parents or quardians are fully responsible for their children until they are "handed over" to the supervision of the Italian Teacher.

At the end of each lesson, parents are expected to pick up their children on time from the designated areas where the class is dismissed. Children will be not permitted to leave to meet parents waiting in their cars.

Where a parent/caregiver picks up a student earlier than the finishing time the "Amendments to students' attendance" form must be signed.

If a child is being picked up by someone else other than his/her parent a letter signed by the parent authorising the person to collect the student on their behalf must be provided to Co.As.It. prior to class commencing.

If parents/caregivers wish their children to go home alone on public transport or on foot, parents must provide Co.As.it. with written permission.

#### 6. Student materials

Children must bring an exercise book and a pencil case to each lesson and a snack\* to eat during the break. \*see (10. Nut aware policy)

#### 7. Certificates

A certificate is issued at the end of the school year to each pupil that has participated in the program.

#### 8. Parent-Teacher meeting

During the last lesson of Term 2 or during Term 3, teachers will meet with each parent to discuss their child's performance. Co.As.It. will advise you on the date. The meeting will be held in the centre classrooms during normal lesson time. On this occasion, the lesson will be suspended and parents will be responsible for their children.

#### 9. Working with Children check

As part of their employment, teachers must hold a current Working With Children Check under the Child Protection (Working With Children) Act 2012. Appointment of all teachers by Co.As.It is dependent on clearance from the Employment Screening Unit, regardless of the school system in which they teach.

#### 10. \*Nut aware policy

Due to an increase in the number of students with allergies to nuts, Co.As.It. has adopted a Nut aware Policy in all of our Out of School Hours Centres.

To guarantee the safety of the children of the school, parents are asked to provide children with snacks to bring to Italian classes that do not contain any type of nut and to alert Co.As.It. and the teacher if their child is allergic.

#### 11. Co.As.It. Student Gender Equity Policy

Co.As.It., where practical, supports and ensures that services are delivered equitably without discrimination regardless of gender; valuing and celebrating the interests and aspirations of girls and women, as well as men and boys and challenging the structures, practices and constructions of gender that are damaging to equality of life for women and men. (Gender Equity Education)

Co.As.It. is committed to treating all students fairly and equitably and no student shall be denied a service due to their gender.

Classes are open to all students from 5 years to 17 years of age and Co.As.It. will advertise these classes as open to all students regardless of gender. Both girls and boys will be encouraged to actively participate in all learning areas and achieve equity of outcomes; know that they are recognized and valued in the curriculum's content, teaching and learning strategies, and reporting and assessment methods; recognise that all people are capable of the full range of useful and appropriate human behaviours when not constrained by social expectations based on gender and demonstrate awareness of others' interests and values reflected in the curriculum and accept and appreciate their inclusion. (Gender Equity Education)

Classes are not divided along gender lines but along language proficiency and student numbers.

Teachers are not appointed along gender lines but in line with Co.As.It.'s Employment procedures.

#### 12. Co.As.It. student discipline policy

Discipline is a continuous process of learning and development of skills and behaviour. Co.As.It. is committed to fostering the development of responsible and caring individuals who are able to understand and accept the consequences of their behaviour and make their choices accordingly.

Co.As.It. does not tolerate bullying or harassment of any kind.

Co.As.It.'s approach to discipline is tempered by a philosophy based on the values of self-respect, respect for others and justice.

Co.As.It.'s discipline procedures aim to help children:

- · become aware of the rights of individuals, others as well as their own;
- · find alternatives for conflict resolution and anger management;
- be consistent and fair;
- understand clear, fair and reasonable rules;
- own their behaviour and learn to accept the consequences which result from their actions;
- learn to cooperate with others.

Co.As.It. safeguards the health, safety and wellbeing of each student which are of paramount importance. The staff of the OSH program is committed to creating and maintaining an environment that is inclusive, caring, safe, affirming and free from any form of intolerance, racism and bullying.

The emphasis of any behaviour modification strategy is always on reinforcing positive self-esteem and positive behaviour patterns. Where unacceptable behaviour does occur, it is dealt with on a case by case basis. In dealing with situations, Co.As.It. teachers aim to ensure the safety and wellbeing of each student.

Consistency and fairness are key factors when dealing with any matter related to behaviour and discipline.

For those students who continue to refuse to cooperate with their teacher in terms of either behaviour and/or commitment to the program, the following procedure is followed:

Three warnings by the class teacher referring to inappropriate behaviour such as:

- · consistently disrupting class
- being physically or verbally violent to other students or to the teacher
- consistently failing to follow the teacher's directions/requests
- habitual lateness

If inappropriate behaviour continues, the teacher will notify the student's parent/caregiver verbally regarding the student's behaviour and notify Co.As.It. in writing of the action taken. The above notification has to be communicated in conjunction with the Program coordinator or another teacher if applicable.

If behaviour continues to be unsatisfactory, Co.As.It., in collaboration with the class teacher, will write a letter to the parent/quardian outlining the issue. The letter will be followed by a phone call to the parent/quardian by Co.As.It.

If behaviour does not improve, an interview will be arranged between Co.As.It., the teacher, the student in question and his/her parent/guardian to further discuss the issue and come to a satisfactory resolution.

#### 13. Formal Complaints policy:

Minor complaints can usually be resolved at the first point of contact where all parties are in agreement and satisfied with the outcome. Usually minor complaints will not require further action. When discussing matters of concern parents are encouraged to initially speak directly with their child's teacher. However, parents can raise a serious concern formally by following the procedures outlined in Co.As.It.'s Complaint and Compliments policy available on our website.
