Italian Cultural Classes

**Go beyond grammar and vocabulary
and truly live the language.**

Ready to experience Italian beyond the textbook? This course immerses intermediate to advanced learners in the richness of Italian language, culture, and contemporary society.

Led by an experienced native-speaking teacher, each session draws on authentic texts, videos, and lively discussion to deepen your language skills and cultural understanding.

Explore a range of engaging topics, including:

- Music & the arts
- Cinema
- Literature & society
- Contemporary Italy

All in a warm, welcoming environment where speaking and listening take centre stage.
