

Co.As.It. Competition 2026

Kindergarten

My Amazing Italian Recipe — La mia ricetta geniale

Instructions for Students:

- Create your own amazing Italian dish.
- Draw a pizza, pasta dish or another Italian food with your own special idea. It can be funny, colourful or completely new.
- Use your imagination and create something amazing!

Write 10–20 words in Italian.

Nella mia pizza c'è / ci sono _____

Nella mia pasta c'è / ci sono _____

Submission Format:

- Submit your artwork on one A3 or A4 sheet.
- Your work can be a drawing, collage or 3D creation.

Years 1 – 2

Italy's Great Ideas Map — La mappa delle grandi idee d'Italia

Instructions for Students:

- Decorate a map of Italy with things that make Italy special.
- You can draw or make a collage with famous Italian inventions, monuments, food, art and design, and other great Italian ideas.
- Fill your map with Italian creativity!

Write 20–30 words in Italian.

Nella mia mappa dell'Italia ci sono _____

Submission Format:

- Submit your map on A3 or A4 paper.
- Make sure your Italian words are clear and easy to read.

Years 3 – 4

A Postcard from the Italy of the Future — Una cartolina dall'Italia del futuro

Instructions for Students:

- Imagine you are visiting Italy in the future.
- Create a postcard showing an Italian place where people are creating something new and exciting.

Front: Draw your Italy of the future. You could show fashion, art, technology, buildings or a new invention.

Back: Write a short message in Italian to a friend or family member (30–40 words).

Where are you? Sono a _____

What can you see? C'è / Ci sono _____

Submission Format:

- Submit the front and back of your postcard on A4 paper.

Years 5 – 6

Italian Genius: Design and Create — Italiano Geniale: Progetta e crea

Instructions for Students:

- Choose something created or designed in Italy that has become famous around the world.
- For example: Vespa, Moka, Ferrari, Galileo's telescope, the Colosseum or another Italian creation.

Your Task:

- Create a 3D model or prototype of your chosen object.
- Write a short information card in Italian (40 words min.).
- Use these questions as a guide: What is it? What does it do? Who made it? Where and when was it made? Why is it famous? What is one interesting fact about it?

Submission Format:

- Submit your original 3D model or prototype together with your information card.

Competition Details

- Only original work will be accepted.
- Entries must be in Italian only.
- Please make a copy of each student entry, as we may be unable to return them.
- Prizes will be awarded to the best entry from each category
